

PRESS RELEASE - Child Endangerment
January 21, 2019

A warrant for two counts of Child Endangerment and Driving while Suspended has been issued for Khafilu M. Oshodi, 31 of the 500 Block of Lakewood Terrace, Round Lake.

On January 9th, John J. Murphey school officials reported that multiple employees had witnessed an 11 year old student drive up to a school drop off point, exit the vehicle along with a 9 year old seated in the rear. The witnesses reported Oshodi then switched to the drivers seat and drove away from the area.

We've made numerous attempts to contact Oshodi with no success.

"Drop off and pickup are the busiest times of the school day. Numerous children, staff and parents are present in the drop off area. This irresponsible behavior could've resulted in any number of tragic scenarios".

School officials were notified earlier in the day by staff, notifying police several hours after the incident. Investigators interviewed staff members who identify Oshodi.

Further investigation has indicated the vehicle was reported stolen on January 14th.
